**Subject:** [External] Docket 2019-130-E

Jocelyn/Joseph/Josh:

I am writing to update the Commission on settlement talks in Docket 2019-130-E between my client Ecoplexus, Inc. ("Ecoplexus") and Dominion Energy South Carolina, Inc. (DESC). Pursuant to our June 27, 2019 Motion hearing, the Commission issued Order 2019-541, which required that the parties update the Commission by July 31, 2019 as to whether this matter has been settled. I am writing to report that Docket 2019-130-E has not been settled, despite numerous settlement communications between Ecoplexus and DESC. In Order 2019-541, the Commission also ordered that if Docket 2019-130-E has not been settled by July 31, 2019, the parties should by August 9, 2019 submit briefs on the outstanding issue from Ecoplexus' Motion to Maintain Status Quo ("Motion"). Ecoplexus will now commence briefing that Motion issue. Concurrent with drafting that brief, Ecoplexus also plans on continuing to discuss settlement options with DESC.

We will e-file a copy of this email with the Commission. Further, all counsel to this Docket are copied with this email. Please let us know if you have questions.

All the best,

Weston Adams, III
